You may provide instructions to me by using any of the contact details provided in Section 4 'Contact & Acknowledgment'.

MANAGED DISCRETIONARY ACCOUNT SERVICE

I may offer you a Managed Discretionary Account (MDA) Service to manage investments held through your nominated Asgard and/or BT Wrap account(s) on your behalf, in accordance with an investment program agreed with you ('Investment Program'). The Investment Program will be documented in a Statement of Advice (SoA) which will detail my advice and how it will assist you in meeting your objectives.

An MDA Service means I can transact on nominated Asgard and/or BT Wrap account(s) without contacting you before each transaction. It is therefore important that you clearly understand how I will exercise the discretion and the limitations it imposes. Securitor impose certain limits on my discretionary services, however you may tailor these services and apply further limits if you require. I will discuss this with you before I make any such recommendations and these limits will be documented in the Investment Program that is included in your SoA.

The Investment Program complies with Division 3 of Part 7.7 of the Corporations Act, and will contain:

- Statements about the nature and scope of the discretions that I will be authorised and required to exercise under the MDA Service and any investment strategy that is to be applied in exercising those discretions;
- Information about any significant risks associated with the MDA Service;
- The basis on which I consider the MDA Service to be suitable for you; and
- Warnings that the MDA service may not be suitable for you if you provide limited or inaccurate information relating to your relevant personal circumstances or if your relevant personal circumstances change.

Part 2 (Adviser Profile) of the Securitor FSG, complies with ASIC Class Order [CO 04/194] *Managed Discretionary Accounts*.

Important information and risks to understand before accepting an MDA Service

If you accept an MDA Service, I may make changes to the investments held through your nominated Asgard and/or BT Wrap account(s) without your agreement, and without first consulting or notifying

you. This presents a risk for you as you will not sign off each transaction before it is implemented.

To ensure the changes I make are appropriate for you I will only undertake transactions which are consistent with my understanding of your relevant personal circumstances and the Investment Program that is established for you.

In addition:

- You may cancel the MDA Service or request changes to the Investment Program at any time by first notifying me in writing.
- For direct share investments only, you may give me discretion to exercising any rights relating to the direct share investments in your portfolio (for example, corporate actions). In all other circumstances, I will only act in accordance with your written instructions on how any rights relating to these products in your portfolio are to be exercised.
- To protect your interests, Securitor does not allow me to have authority to withdraw funds from the nominated Asgard and/or BT Wrap account(s). Further, I am not authorised to transact funds held outside your nominated Asgard and/or BT Wrap account(s) without your specific prior approval.
- As described above, Securitor places certain limits on my discretionary services, such as:
 - I am not permitted to trade on your nominated Asgard and/or BT Wrap account(s) in an attempt to make short term gains. All investment decisions must be made with long term goals in mind.
 - I am required to maintain your portfolio within a specified range for each asset class or as further restricted by you.These limits on my discretion will be described in more detail in your SoA.
- You will be provided with access to on-line reporting for your nominated Asgard and/or BT Wrap account(s) to view the transactions undertaken on your behalf and the impact on your portfolio. If you do not have internet access you should not accept an MDA Service.
- As I will be acting with discretion it is important that I understand your relevant personal circumstances, needs and objectives at all times. If they change at any time, you must inform me immediately otherwise the services I provide may not be appropriate or suitable for you.
- I will review annually the Investment Program and the suitability of an MDA Service in light of your financial circumstances, needs and objectives. The MDA Service does not include a custodial or depository service, as this is facilitated through your nominated Asgard and/or BT Wrap account(s).

How to accept an MDA Service

Should you wish to use my advisory services, I will provide you with a SoA which contains my recommendations to you and this may include a recommendation for you to use the MDA Service offered by Securitor.

If you choose to accept the MDA Service, you must first enter into an MDA Service agreement with Securitor which is contained in your SoA by signing, amongst other documents which authorise me to transact on your Asgard and/or BT Wrap account(s), the *Authority to Proceed* attached to the SoA.
